August Birthdays***

Leos born August 1 to 22 are outgoing and creative. It's hard to resist a Lion's natural charm. And their fiery magnetism is likely to attract attention, which is just how they like it. Those born August 23 to 31 are hardworking, practical Virgos. Virgos are often kind and dedicated caregivers. They are at home in the company of animals. Often reserved, Virgos shy away from attention.
